

Exhibit 2

The cost of the eligible goods and services must be the most heavily weighed. Vendors are rated on how well they met each factor. The entries for all factors are totaled for each vendor. The winning bidder is the one with the highest number of total points.

FUNDING YEAR 2022: BID EVALUATION MATRIX
Network Switches
Bid Number 2022-42

Evaluation Factors	Total Points Available	Vendor 1 <u>Skyline Technology Solutions</u>	Vendor 2 <u>Troxell Communications Inc</u>
Cost of goods	50	50	20.91
Technical Criteria (alignment to Section III, Technical Requirements)	30	30	30
Ease of Installation/Configuration	20	20	20
Total Points	100	100	70.91
Cost		\$215,784.00	\$516,020.94

Winning Bidder: Skyline Technology Solutions

Evaluation Factors:

- All vendors submitted pricing for the same switches, support and accessories which meet the WCPS requirements.
- Cost differential between submissions was the deciding factor.
