**ADDENDUM 3**

To: All Prospective Offerors  
From: Scott Bachtell, Supervisor of Purchasing  
Reference: RFP 2021-18 Elementary Math Core Resource

**Proposal Due Date & Time: January 26, 2021 by 11:00 AM EST**

This addendum is being issued to provide additions, corrections, clarifications and answers to certain questions raised referencing the original RFP packages and any resultant contracts for the above RFP.

**Questions:**

1. Question: In reference to the Elementary Math Core Resource RFP, are we permitted to add rows to the Pricing sheet? Our student materials consist of print and digital options, which vary in cost. We believe that, if broken down, it will provide a clearer cost explanation to the district.?

**Answer: The Price Proposal should not be modified. Please reference Section I, Number 18, Letter a. stating reasons for rejection, including “alterations of form”.**

**Vendors submitting a proposal should submit the offer that best meets the expectations and descriptions provided by WCPS for a comprehensive, core resource.**

**After selection of finalists, WCPS may request revised Best and Final Price Proposals for a final package that WCPS feels would best meet our district goals and objectives.**

Thank you for your interest in bidding with Washington County Public Schools and we apologize for any inconvenience this may have caused.

Sincerely,

*Scott Bachtell*
