Failure of any bidder to acknowledge the receipt of addenda will not relieve that bidder from any obligations under this solicitation as amended by addenda. All addenda so issued will become part of the award and contract documents.

6. **Preparation of Bid**

- a. Should any bidder be in doubt as to the meaning of the specifications, or should they find any discrepancy or omission, they shall notify the Contract Managers listed on the solicitation cover sheet, prior to the question deadline. No pleas of ignorance of such conditions and requirements resulting from failure to make such investigations and examinations will relieve the successful offeror from its obligations to comply in every detail with all the provisions and requirements of the contract documents, or will be accepted as a basis for any claim whatsoever for any monetary consideration on the part of the successful bidder. If required, bidders will be notified of clarifications and/or additional information by means of addenda.

- h. WCPS will not be responsible for any costs incurred by a bidder in preparing and submitting a proposal in response to this solicitation.

7. **Bid Opening**

- b. Board of Education of Washington County may make any such award as is deemed to be in the best interest WCPS.
- c. Bidders may be required, before the awarding of a contract, to show to the complete satisfaction of WCPS, that they have the necessary facilities, ability, and financial resources to execute the contract in a satisfactory manner, and within the time specified. Bidders may be required to demonstrate they have the necessary experience, history, and references to assure WCPS of their qualifications.
- d. The Board of Education of Washington County reserves the right to award the bid within 90 days from the date of the bid opening unless a different time period is stated in the bid document.
- e. Unless stated otherwise in Section II, the contract may be awarded by line item, group, or in the aggregate, whichever is in the best interest of WCPS.
- f. In the event of a tie, where all other factors, such as past performance, are considered comparable, the award shall be made to the Washington County based bidder; the closest Maryland out-of-county based bidder; and the closest out-of-state based bidder, in that order of preference.
- g. WCPS does not have local, state or federal preference requirements except when mandated by a targeted funding source.
- h. If, after competitive sealed bids have been opened, the Purchasing Manager determines that only one responsible bidder has submitted a responsive bid, the procurement contract may be negotiated with that one bidder as sole source procurement.
- i. A recommendation for the award of a contract will be presented to the Board of Education of Washington County for approval. Upon approval of the award of contract, the bidder(s) shall be notified of their award(s). If applicable, a WCPS contract document shall also be issued.
- j. The Board of Education of Washington County reserves the right to reject the bid of a bidder who has, in the opinion of WCPS, failed to properly perform under previous contracts, or, who investigation shows, is not in a position to perform the contract.

- k. The Board of Education of Washington County retains the right to:
 - i. Reject any and all bids, if it is deemed in the best interest of WCPS to do so.
 - ii. Request revised or best and final pricing from all qualified bidders.
 - iii. Reject bids for one or more of the following reasons:
 - 1. Failure of the bidder(s) to provide the requested information.
 - 2. Failure of the bidder(s) to respond to any question, request for information, clarification, presentation, or interview.
 - 3. Failure of the bidder(s) to follow the prescribed instructions for proposal preparation, submission, and response format.
 - 4. Collusion or the appearance of collusion, among or between firms.

9. **Contract Formation**

- a. Notification of the contract award will be made by letter after approval by the Board of Education of Washington County.
- b. The primary form of contract will be a Service Agreement and/or the purchase order(s), and any agreed-upon schedules, addenda, shop drawings, and documents associated with the bid solicitation/submission/award.

- d. No amendment, modification or change to the contract shall be effective unless such change is in writing and mutually agreed upon by authorized representatives of WCPS and the awarded vendor(s). Changes may not significantly alter the original scope of the agreement.

10. **Objection to Award**

Any company objecting to the bid procedure or the recommendation for award has five (5) business days following the date of award by the Board of Education to file a written protest with the Superintendent of Schools. The written appeal must be submitted on company letterhead, dated and signed by the senior officer in the company. The protest letter must include a request for review and ruling by WCPS, a detailed statement of the legal and factual grounds for the protest, including the resulting prejudice to the company, copies of relevant documents, and a statement of the form of relief being requested. Failure to comply with these instructions may result in the protest being deemed "not filed." Bid protests received later than five (5) days after the Board Meeting will result in the protest being deemed "not timely." The WCPS will not respond or address bid protests that do not conform to these instructions.

11. **Insurance**

- a. The vendor shall purchase and maintain (throughout the term of this Bid/RFP) such insurance as will protect the vendor and the owner from claims that may arise out of or result from the vendor.
- b. All insurance must be underwritten by an insurer permitted to do business in the State of Maryland and

The Vendor acknowledges its status as an independent contractor while performing services on behalf of WCPS and the Washington County Board of Education and that the Board's workers compensation coverage or self-insurance is not intended to and will not respond to cover any medical or indemnity loss arising out of injury to the Vendor or its employees during the Vendor's performance of services for the Board.

13. Warranty

- a. The awarded vendor(s) will guarantee the material and workmanship on all services, equipment, materials, supplies, and labor, furnished by them, for a minimum period of one year from the date of acceptance, unless a longer period of time is specified in Section III.
- b. If, within the guarantee period, any defects or signs of deterioration are noted, the awarded vendor(s), at their expense, shall correct the condition or they shall replace the part or entire unit of work/equipment to the complete satisfaction of WCPS. These repairs, replacements, or adjustments shall be made only at such times as will be designated by WCPS to minimize the disruption to building/school operations.
- c. Should the awarded vendor(s) fail to comply with the terms of this guarantee, WCPS may have such work performed as it deems necessary to fulfill the guarantee, charging the cost to the awarded vendor(s).

14. Standard of Quality, "or Equal Clauses," and Substitutions

- a. Any make/model specified in the solicitation is used only to establish a quality level, unless specifically noted in Section III and/or on the Price Proposal. Any material or article that will perform adequately the duties imposed by the general design will be considered equal and satisfactory. WCPS retains the right to determine if items are equivalent and will be accepted.
- b. It will be the responsibility of the bidder to submit a clear and concise proposal wherein each substitution and deviation is identified and described, in writing, at the time of solicitation submission.
- c. In the absence of any statement to the contrary by the bidder, the submission will be interpreted as being the exact brand and/or qualities, etc., enumerated in the detailed specifications, whenever the specifications indicate a product of a particular manufacturer, model or brand.
- d. Bidders must submit detailed literature if bidding an item other than the specified item. Detailed literature is defined as product features or specifications relating to construction and/or performance.
- e. The detailed literature is to be arranged and labeled according to the item number.
- f. It is the bidders' responsibility to submit required literature, or links to web-pages, with the bid submission. Failure to submit such data as required and/or at the time designated by the Purchasing Department shall be cause for rejection of that item.
- g. No substitutions or deviations will be permitted following the award of the contract unless "cause and effect" is presented in writing and approved by the Contract Manager. A statement of any credit or extra cost involved will be included with the request.
- h. WCPS shall not be responsible to provide personnel, testing facilities, or other resources necessary to search out substitutions and deviations in bid proposals which are unclear through the nebulous terms such as "comparable", or blanket statements of deviation such as "our standard design, construction, hardware, finishes,

etc."

- i. The bidder will, upon request and with no cost to the WCPS, furnish documents, independent laboratory tests reports, and/or similar materials of proof to substantiate that the substitutions and deviations of the items they propose to furnish do not prevent these items from being truly and factually equal to, or exceeding, that which is specified.
- j. The cost of testing a representative sample of an order or shipment for acceptance and compliance with specifications shall be borne by WCPS. If the order or shipment is rejected for failure to meet the requirements of the specifications or purchase description, the cost of testing will be charged to the awarded vendor.

15. **Samples**

- c. The right is reserved to retain any sample submitted with bids for the purposes of examination and testing. WCPS reserves the right to use all samples in any manner which may best serve the final determination of the successful bidder, even if said examination and testing results in damage to or destruction of the sample.
- d. WCPS retains the right to determine the method of testing to be utilized.
- e. Samples that are not retained by WCPS must be removed within two weeks upon notification. Return shipping must be prepaid by the vendor. Samples not removed within this two-week period shall be retained, or disposed of, at the discretion WCPS, and without compensation to the bidder.

- a. All materials must be securely packed in accordance with accepted trade practices.
- b. A packing list will be included in each shipment. This list shall contain the following information: Purchase Order Number, Vendor Name, Item Description, Item Number, Quantity and Delivery Location. Failure to comply with this condition may be considered sufficient reason to refuse to accept the goods.
- c. All materials, supplies, and equipment for WCPS shall be delivered F.O.B Destination. Unless otherwise noted in Section II, all items shall be delivered inside the WCPS location.
- d. Special delivery and handling instructions will be defined in Section II of each bid.
- e. All school deliveries shall be made during the hours of 9:00 A.M. and 2:00 P.M. local time and only on regular school days, except where modified in Section II.
- f. No help for unloading will be provided. Suppliers shall notify their delivery personnel accordingly.
- g. The awarded vendor(s) shall be held responsible for and shall be required to make good at their expense, any and all damage done or caused by their employees in the execution of the contract as determined by WCPS.
- h. The vendor will be required to furnish proof of signed delivery in every instance. Delivery receipts indicating only the number and weight of cartons received will not constitute "proof" of delivery in the event of a dispute. WCPS will not accept responsibility for deliveries that have not been signed for by a WCPS employee.

17. **Taxes**

No charge will be allowed for federal excise, state, and/or municipal sales and use taxes, from which the Board of Education of Washington County is exempt. Pricing will be net and will not include the amount of any such tax. Bidders will be required to pay the tax on all purchases and can recover it only as a part of their bid price. Exemption certificates will be furnished upon request.

18. **Errors in Bid Submissions**

- a. Bidders, or their authorized representatives, are expected to fully inform themselves as to the conditions and requirements of the specifications before submitting bids. Failure to do so will be at the bidder's own risk. The Bidder shall have no right to any damages, cost and/or any other remedy at law or equity against WCPS for any miscalculation, misunderstanding, error (either omission or commission), mistake, misinterpretation, and/or the failure by the Bidder to obtain an award of bid, award of contract and/or profits, fees or money from WCPS when the Bidder failed to fully inform itself.
- b. If the bidder has made an error, the bidder may request, in writing, to have their bid withdrawn. Approval of a bidder's request is not automatic and may be given only by the Supervisor of Purchasing. Requests for withdrawal are usually denied, unless the bidder proves to the satisfaction of the Supervisor of Purchasing that the mistake was either a scrivener's error or another type of clearly unintentional error so departing from customary and reasonable business practices as to be obvious and to legitimately and substantially impair the vendor's business.
- c. Neither law nor regulations make allowance for errors either of omission or commission on the part of the bidders. In case of error in multiplication of unit price when arriving at total price per line item, the unit price shall govern. If there is a discrepancy between the price written in numbers and the price written in words, the words will govern.

19. **Billing and Payment**

- a. Invoices shall be submitted to:

Washington County Public Schools
Attn: Accounts Payable
10435 Downsville Pike

20. **Contract Assignment**

- a. The awarded vendor(s) will not assign or transfer any portion of their interest or obligation under this Agreement to any third party, without the prior written consent of the Contract Managers. Nothing herein shall be construed to create any personal or individual liability upon any employee, officer, elected official of the Board of Education of Washington County, nor shall this Agreement be construed to create any rights hereunder in any person or entity other than the parties to this Agreement.
- b. The awarded vendor(s) will, when required, submit to the Contract Managers, in writing, the name of each subcontractor they intend to employ, the portion of the material or services to be furnished, their place of

business, and any such information as may be required in order to know whether such subcontractor is reputable and reliable and able to furnish satisfactorily the material or services as called for in the specifications.

- c. WCPS reserves the right to approve or disapprove all subcontractors to be employed on a project. WCPS further reserves the right to approve or disapprove a change of subcontractor once an initial subcontractor has been approved. Any increased cost associated with the change of a subcontractor shall be the full obligation and responsibility of the awarded vendor(s).
- d. The awarded vendor(s) will not legally, or equitably, assign any of the funds payable under the contract, or its claim thereto, unless by, and with, the consent of the Contract Managers.
- e. The awarded vendor(s) will have the same provisions inserted in all subcontracts relative to the terms of the general conditions and other contract documents. Nothing contained in this contract shall create any contractual relations between any subcontractor and WCPS.

21. **Subsidiaries**

If a Bidder that seeks to perform or provide the services required by this Bid/RFP is the subsidiary of another entity, all information submitted by the Bidder such as, but not limited to, proposed services, description of the Bidder's ability to perform the scope of work, references and financial reports, shall pertain exclusively to the Bidder, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Bidder's proposal must contain an explicit statement that the parent organization will guarantee the performance of the subsidiary.

22. **Hold Harmless**

It is understood that the awarded vendor(s) shall defend and hold harmless the Board of Education of Washington County, and its representatives, from all suits, actions, or claims of any kind brought about as a result of any injuries or damages sustained by person(s) or property during the performance of this contract.

23. **Termination for Default**

- a. When an awarded vendor has not performed or has unsatisfactorily performed the contract, payment shall be withheld at the discretion of WCPS. WCPS may, by written notice of default to the vendor, terminate the whole or any part of the contract in any of the following circumstances:
 - i. If the vendor fails to perform the services or provide the products within the time and manner specified herein or any extension thereof, or:
 - ii. If the vendor fails to perform any of the provisions of this contract, or fails to make progress as to endanger performance of this contract, in accordance with its terms and in either of these two circumstances does not cure such failure within a period of ten calendar days (or longer as authorized by the Supervisor of Purchasing) after receipt of written notice from the Supervisor of Purchasing of such failure, or:
 - iii. If the vendor willfully attempts to perform the services other than specified as to coverage, limits, protections, and quality or otherwise, without specified authorization in the form of contract amendment, or:
 - iv. If a determination is made by WCPS that the obtaining of the contract was influenced by an employee WCPS having received a gratuity, or a promise, therefore, in any way or form.
- b. In the event WCPS terminates the contract in whole or in part, WCPS may procure such products and services, in a manner the Supervisor of Purchasing deems appropriate, and the vendor shall be liable to WCPS for any additional cost(s) incurred.
- c. If, after notice of termination of this contract under provisions of this clause, it is determined for any reason that

the vendor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to a termination for convenience.

24. **Termination for Convenience**

The contract may be terminated by WCPS in accordance with this clause in whole, or in part, whenever WCPS determines that such a termination is in the best interest of WCPS. Written notice shall be given a minimum of 60 days in advance. WCPS will pay for all services, in accordance with contract pricing, up to the date of the termination. However, the awarded vendor(s) shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Under this contract, the awarded vendor does not have a right to unilateral termination for convenience.

25. **Governing Law and Venue**

The solicitation shall be construed in accordance with, and interpreted under, the laws of the State of Maryland. Any lawsuits shall be filed in the appropriate State Court located in Washington County, Maryland.

26. **Multi-Agency Participation**

- a. WCPS reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland, as well as, any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This is conditioned upon mutual agreement of all parties pursuant to special requirements, which may be appended thereto. The awarded vendor(s) agrees to notify the issuing body of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may be requested.
- b. By agreeing to extend the contract to other agencies, the vendor(s) reaffirms and warrants his original commitment to WCPS so that afterward all items and services shall continue to conform to the requirements and conditions of the original agreement for its duration. Agencies who utilize the contract agree to notify WCPS Purchasing Department of any significant experiences, problems or issues which may, or may have the potential to, affect our administration of this contract.
- c. WCPS assumes no obligation on behalf of any other agency and shall be held harmless if either party is damaged due to the agency or vendor's failure to become informed of, or comply with, any provision or pricing under this agreement. All purchase orders and billing will be transacted between the vendor and the public agency.
- d. Each participating jurisdiction or agency shall enter into its own contract with the awarded vendor(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted in duplicate "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the awarded vendor(s). The Lead Agency does not assume any responsibility other than to obtain pricing for the specifications provided.

27. **Compliance with Specifications**

Minority Business Enterprises are encouraged to respond to this solicitation notice. However, there is no MBE participation goal for this procurement.

32. **Compliance with House Bill 486**

During the 2019 legislative session, a new law was adopted (House Bill 486, Child Sexual Abuse and Sexual Misconduct Prevention), which requires an entity that contracts with a local board of education to provide a service to a school or the students of a school to conduct a comprehensive background check on applicants for a position involving contact with minors. The new legal requirement is in addition to the existing law which requires your entity to conduct a formal Federal Bureau of Investigations (FBI) criminal background check (see term 31 below) on its employees, agents, or others that are authorized under this contract to provide services to students. The current law also prohibits a registered sex offender from being on school property (see term 30 below).

The required documentation will be included with the Memorandum of Understanding (MOU) between the awarded vendor(s) and Washington County Board of Education. This document must be completed, signed and submitted back to the Contract Administrator. Your entity is not authorized to provide any services until the appropriate documentation has been submitted and approved by the Contract Administrator.

The Maryland State Department of Education has provided guidance and answers to many frequently asked questions regarding HB486. Please see the guidance document linked below for additional information.

33. **Employment of Child Sex Offenders and Persons with Uncontrolled Access to Students**

- a. Be advised that individuals who are registered sex offenders are not eligible to work on any WCPS' project. The awarded vendor(s) must initially check the Maryland Department of Public Safety & Correctional Services' Maryland Sex Offender Registry and search for the name of any employee to be assigned to work on this project. This applies to subcontractors and material/equipment suppliers as well. For projects lasting more than a few months, the vendor will periodically re-check the names of workers against the registry to ensure ongoing compliance. In the event that a registered sex offender is discovered to be working on a WCPS project, whether through employment by the vendor, subcontractor or equipment or material supplier, WCPS will notify the site superintendent to immediately remove the individual from the premises and permanently terminate his work assignment. WCPS may terminate this contract at no additional costs, as a result, if the vendor is unable to demonstrate they have exercised care and diligence in the past in checking the Maryland registry.

- b. Contracted service providers who have regular, direct and unsupervised access to children cannot begin service without undergoing the same process as new employees per WCPS. If required, an awarded vendor(s) is responsible for payment of the full cost of the criminal background check. If required, additional information regarding this requirement will be found in Specific Terms & Conditions.
- c. The awarded vendor(s), or subcontractor(s), may not knowingly assign an employee to work on WCPS school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of a crime identified as a crime of violence.
- d. The awarded vendor(s) will not assign employees who has been convicted of an offense under § 3-307 or § 3-308 of the Criminal Law Article or an offense under the laws of another state that would constitute a violation of § 3-307 or § 3-308 of the Criminal Law Article if committed in the state.
- e. An awarded vendor will not assign an employee who has been convicted of a crime of violence as defined in § 14-101 of the Criminal Law Article, or an offense under the laws of another state that would be a violation of § 14-101 of the Criminal Law Article if committed in this state.

34. **Criminal Background Check**

- a. It is the responsibility of Vendor to make certain, through a criminal background check, that its employees, agents, volunteers, and contractors who may have contact with students are in compliance with Title 5, Subtitle 5, Part V, of the Family Law Article of the Maryland Code and have not been convicted of nor have pending charges for the commission of or attempt to commit Murder, Child Abuse, Rape, Child Pornography, Child Abduction, Kidnapping of a Child or Sexual Offense as defined by the Criminal Law Article of the Annotated Code of Maryland. All costs for conducting a criminal background check shall be borne by Vendor. The Vendor and its employees, agents and volunteers shall also be free of tuberculosis.
- b. In accordance with the State of Maryland's Criminal Procedure Article, Section 11-722, a person who enters into an agreement with a local board of education may not knowingly employ an individual to work at a school if the individual is a registered sex offender. Therefore, in contract awards between the Washington Board of Education and vendors/contractors and their subcontractors at every tier, employing an individual registered sex offender to work at a school is strictly prohibited. This provision applies to all individuals that may be working on the school property, making deliveries or visiting the school property for business purposes.

- b. Any awarded vendor(s) whose employees violate this clause may be subject to the termination of the contract for cause.

The use of illegal immigrant labor to fulfill contracts solicited by WCPS is in violation of the law and is strictly prohibited. Awarded vendor(s) and subcontractors must verify employment eligibility of workers in order to assure that they are not violating federal/state/local laws regarding illegal immigration. A compliance audit may be conducted.

38. **Student/Staff Confidentiality**

- d. The Offeror agrees that any portion of the proposal that is not stamped as propriety or confidential is not proprietary or confidential. Unless portions of a proposal are identified as confidential, all records are considered public. A person or governmental unit that wishes to inspect a public record, or receive copies of a public record, shall submit a written or electronic request.
- e. WCPS will notify the vendor if a Freedom of Information Act (FOIA) request is received in connection with a Bid or RFP that has confidential information identified.
- f. If litigation is instituted against the Board of Education or its agents, the party opposing the release must provide representation to the Board or cover the cost of counsel and all other related litigation expenses. As a condition for WCPS keeping the information confidential, the offeror must agree to defend and hold WCPS harmless if any information is inadvertently released.

Delays shall cease as soon as practicable and written notification of same provided. The time of contract completion may be extended by contract modification, for a period of time equal to that delay caused under this condition. WCPS may also consider requests for price increase for materials and/or raw materials that are directly attributable to the cause of delay. WCPS reserves the right to cancel the contract and/or purchase products, materials, equipment or services from the best available source during the time of Force Majeure, and the vendor shall have no recourse against WCPS. Further, except for payment of sums due, neither party shall be liable to the other or deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of Force Majeure as defined herein.

42. **Disputes**

If a dispute arises under this agreement, each party shall appoint a representative to resolve the dispute. Both parties shall use best efforts to arrive at a final resolution of the dispute. In the event that a final resolution negotiated between party representatives is not attainable, the Supervisor of Purchasing will issue a final decision.
