To: All Prospective Offerors
From: Scott Bachtell, Supervisor of Purchasing
Reference: RFP 2023-09 Pre-K Core Resource

Proposal Due Date & Time: August 31, 202 by 11:00 AM EST

This addendum is being issued to provide additions, corrections, clarifications, and answers to certain questions raised referencing the original RFP packages and any resultant contracts for the above bid.

Clarification

The answers provided to question 3 and question 8 in Addendum 1 may have provided some confusion. The answer to both questions “Are print samples being requested with the RFP that is due on August 31st?” and “Are you requesting physical samples at this time? If so, can you please provide details (how many, where to send, etc.)?” is:

Answer: Not at this time. We will reach out to specific companies if physical samples are needed.

We apologize for any confusion this may have caused.

Sincerely,

Scott Bachtell
