**May 18, 2023**

**Addendum 1**

TO: All Prospective Offerors

FROM: Scott Bachtell, Supervisor of Purchasing

REF: Bid 2023-60 Door Hardware Replacement at Various Schools

**BID DUE DATE: May 31, 2023, at 11:30 AM**

Please note the following changes/clarifications to Bid 2023-60:

**A. General/Clarification**

**1.1 Q:** Can the bid due date be pushed back?

**A:** No, the bid due date is firm.

**1.2 All door hardware will require a submittal and approval by WCPS prior to the awarded contractor(s) purchasing materials.**

**1.3 Q:** Would it be possible to provide a count of the doors at each School that do not have cylindrical lock sets, mortise sets, or knob type lock sets?

**A:** The only doors that have another type of lockset that will receive a new cylindrical lockset are at Williamsport High. There are two doors that currently have deadbolts that will be modified to receive a new cylindrical lockset. All other doors at the schools that are part of this project that have existing hardware that is not cylindrical, mortise, or knob are marked with a "\*" on the door schedule as a door or frame that may need to be replaced.
